If in eyes, flush with plenty of water. Get medical attention if irritation persists.

2.5 ml Strip Diagram

DIRECTIONS FOR USE:
It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.
READ ALL DIRECTIONS BEFORE USING THIS PRODUCT.

Squeeze into one hand 2.5 ml of repellent, a strip equal in length and width to diagram on the side of the tube. Rub hands together and apply to forearms evenly in a thin layer. Repeat for other exposed areas. Apply repellent to exposed skin 2-3 inches inward along edge of the uniform at collar, sleeve cuff, and trouser cuff. Do not use under clothing. Frequent reapplication and saturation is unnecessary for effectiveness. Avoid overexposure and contact with eyes and lips. Wipe hands after application. After returning indoors, wash treated skin with soap and water. Wash treated clothing. Use of this product may cause skin reactions in rare cases. If you suspect that you or your child is reacting to this product, wash treated skin and call your local poison control center.

May damage some synthetic fabrics, plastics, painted or varnished surfaces. Avoid smearing on plastic eyeglasses, goggles, watch crystals, etc. WILL NOT DAMAGE nylon, cotton, or wool fabrics.

DISPOSAL: Do not reuse empty container. Wrap container and put in trash.
